Pasta Classica

Spaghetti (add two meatballs 13⁹⁵) 10⁹⁵
Served with your choice of Meat Sauce, Mushroom Sauce, Garlic & Oil, Pesto Sauce, or Marinara sauce

Fettuccine Alfredo (with chicken 13⁹⁵, with shrimp 15⁹⁵) 10⁹⁵
Our Alfredo sauce is made in the pan for each order and is authentic to the Italian style. Our sauce is richer with butter and melted Parmesan than the American-style, thick sauces; far lighter, more silky and refined. The lightness of our sauce allows the fettuccine to retain their bite and their taste isn't drowned by sauce. Using less cream and spices boosts the clarity and complexity of the more subtle flavors: the sweetness of the butter and the nutty boost from the cheese.

Lasagna 11⁹⁵
Classic lasagna is made fresh in the morning and each slice is baked to order while it lasts

Baked Penne 10⁹⁵
Our take on Baked Ziti. A hearty casserole of penne, sauce, meat and cheese

LaVoglia's Old World Cooking Style

Our goal is to provide a remarkable dining experience at a fair price, thus introducing our guests to the Old World dishes, flavors and atmosphere that we love. We work with our suppliers several times a week to deliver the freshest, highest-quality ingredients and we make your dishes individually to order; No precooking and warming up in our kitchen. We make most items from scratch and never buy and use prepared or frozen appetizers or entrees. Yes, this process takes longer than some other restaurants and we could do it faster and cheaper with premade; however, we will not compromise quality in favor of speed. We ask for your patience when the kitchen seems slow, but know that everyone is working steadily and that creating art takes time. Use the minutes to enjoy the atmosphere and good company and give thanks for our blessings.

We sincerely invite you to let us know of anything we can do to improve your experience, as all of our team want every visit to be exceptional. Come visit us again soon.

Mangia bene, ridi spesso, ama molto!
Eat Well, laugh often, love much!

Special Dietary Needs

Because we appreciate our guests and strive to make LaVoglia a place where the whole family can gather and enjoy our labors, we are committed to doing our best to fulfill restricted dietary needs. We may not be able to fully satisfy every requirement because of the limits of storing specialized foods, but we will work with you to find compatible menu offerings. And since we make everything from scratch, we can even work off-menu to produce a delicious meal for you to enjoy, whether it is vegetarian, low-carb, low-fat, gluten-free, Crohn's/IBD, low-sodium, diabetic or food allergy. If you call ahead a few days, we will be even better able to serve your particular needs.

Whole wheat spaghetti and gluten-free spaghetti is available on request and as a free substitute. Please allow us extra time for preparation.
